

Claremont Community Emergency Response Team

Training class starts September 9, 2024

CERT TRAINING IS COMING TO CLAREMONT — ENROLL NOW!

Claremont CERT and the Claremont Police Department are proud to present disaster and emergency preparedness training.

Following a major disaster, police, fire, and medical professionals may not be able to fully meet the demand for help. People will have to rely on each other to meet immediate life-saving and life-sustaining needs.

This FEMA-based program was developed to provide basic training in emergency preparedness, safety and life-saving skills. Learn how to personalize your family emergency plan and “go bags” with the right equipment. Get hands-on experience with LA County Firefighters putting out small fires. And back by popular demand, National Heart Association-approved hands-free CPR training.

The free training course will be presented as a series of seven (7) classes, covering the following modules:

September 9 Monday 6 p.m.- 9 p.m.	September 11 Wednesday 6 p.m. – 9 p.m.	September 16 Monday 6 p.m.- 9 p.m.	September 18 Wednesday 6 p.m. – 9 p.m.
